Transferable Lifetime Full Warranty

Full Warranty - Duralum warrants that its Patio Covers, Room Enclosures, Weatherwood products, Carports, Doorhoods, Dockcovers, Window Awnings, Privacy Screens, Sunrooms, Screen Rooms, Handrail and Litemaster skylights, when installed with proper engineering and permitting in accordance with local U.S. building codes and in accordance with Duralum's installation instructions, are free from defects in material & workmanship & the finish on the products will not chip, peel, flake, or blister under conditions of ordinary wear for the lifetime of the product, except as provided below under "Exclusions & Limitations" and except for those product components which are covered under a separate twenty-year limited warranty as provided under the "Twenty Year Limited Warranty" below.

Warranty is fully transferable to all future owners of the property where the products covered under either of these warranties were installed.

What Duralum Will Do - Duralum shall have one hundred twenty (120) days to repair any defects covered under this Full Warranty. In the event repair is not possible, Duralum will either replace the defective product, or refund the full purchase price of the product. Duralum reserves the right to discontinue or change the design or color of any of its products. If for a reason the original product is not available, Duralum may substitute another product of comparable quality.

Twenty Year Limited Warranty

Limited Warranty - For a period of twenty (20) years after original installation, Duralum warrants that any insulated glass lites, laminated panels, 8" skylights contained in the company's products are free from defects in material & workmanship, except as provided below under "Exclusions & Limitations."

What Duralum Will Do - Duralum shall have 120 days to repair any defects covered under this Limited Warranty. In the event repair is not possible, Duralum will either replace the defective component or refund the full purchase price of that component. During the first five years after installation of the product, Duralum will pay for any labor charges associated with the removal and installation of any defective component under this Limited Warranty. After the fifth year, the customer will be responsible for any labor and transportation charges in connection with the removal and installation of any defective component under this Limited Warranty. Duralum reserves the right to discontinue or change the design or color of any product. If for any reason the original product is not available, Duralum may substitute another product of comparable quality.

Exclusions & Limitations; Claims Procedures for all Warranties

Exclusions & Limitations - Neither of these warranties covers any chipping, peeling, flaking or blistering of the products as the result of damage of any kind resulting from faulty or improper installation, accidental or intentional damage, settling, structural shrinkage or other distortion of the property structure, popping due to expansion or contraction, acts of God, harmful chemicals (including harmful cleaning compounds), fumes or vapors, surface deterioration due to air pollution, "normal weathering", condensation, mildew accumulation, impact of foreign objects, rust or corrosion of any of any components of the products, or the failure of the owner to provide reasonable maintenance of the product per the instructions on the reverse side. Neither of these warranties covers fading of any painted finish due to normal weathering, or any rust of any components of the products, including but not limited to, screws and other fasteners, and any steel components. Also, no warranty applies if the product has been painted or the surface has been altered. "Normal weathering" is defined as the damaging effects of sunlight & the extremes of weather and atmosphere that may cause any colored surface to fade or become soiled or stained.

The degree to which normal weathering occurs depends on air quality, location & other local conditions. Fading of darker colors may occur more significantly than lighter colors in exposed sunlight and is considered "normal weathering".

Claims Procedure - Any claim for breach of warranty shall be sent to: Duralum Products, Inc., 2485 Railroad Street, Corona, CA 92880, within (30) days of first discovering the claimed defect. The claim shall describe the defect, indicate the discovery date, and list the date and locations where product was installed as well as the name of the contractor who installed the product. Claim should include copies of both this warranty and the signed contract covering the work performed. Duralum shall then have a reasonable time to inspect the defect. This Warranty dated January 1, 2015 supersedes previous versions.
How State Law Applies - These warranties give you specific legal rights. You may also have other rights that vary from state to state.

Product Registration - Although no registration is required, we recommend you register your warranty with Duralum Products, Inc. on the website Duralum.com. Keep this warranty with your contract in case of a claim.
